

Resolution No. 7-2011-71
Authorizing Request for Proposals for Solar Energy Program

Whereas the Barrington Green Team has recommended to the Governing Body that the Borough partner with a vendor for a program of solar panel installation on municipal-owned buildings as well as making the program available to residential properties;

Whereas the Governing Body does desire to explore such programs with the intent to reduce the Borough's carbon footprint, reduce greenhouse gases and make the Borough of Barrington more energy efficient; and

Whereas it will be necessary to develop and advertise a Request for Proposals to solicit proposals from various vendors so the best and most cost effective selection can be made;

Now therefore be it resolved that the Governing Body of the Borough of Barrington, County of Camden, State of New Jersey, hereby authorizes the Borough Clerk/Purchasing Agent to develop and advertise for Requests for Proposals for Installation of a Solar Panel Program for both municipal-owned buildings as well as residential buildings.

Borough of Barrington
